

Iglesia de Cristo

A report on the work of the Hispanic church of Christ in Warren County, TN — Issue 20, April - June 2004

The congregation continues to grow and progress

There have been many wonderful things that have occurred for the Iglesia de Cristo over the past 3 months. Since the printing of the last newsletter another precious soul has been added to the Lord. On Sunday, July 4, Ricardo Mendoza was baptized into Christ (see his picture below). This makes 75 who have become Christians as a result of this work.

The new converts also are growing and becoming active in the work and worship of the

Lord's church. Brother Pedro Vazques who was baptized in February is reading the Bible in the services (see his picture below).

There continues to be many visitors that come to services. Below are pictured Maria Perez and her children that visited the services. Also, brother Bruno Vera is bringing his wife Aracely Vera. We are praying that she will obey the Gospel soon.

There are several opportunities for the church to enjoy fellowship and grow spiritually. On July 23, there was a day for couples to come together and study the Bible and enjoy a time of fellowship.

As you or your congregation plans on making your budget for 2005, why not consider an increase? We need your help as there are always congregations and individual rearrange their support for their own local projects.

If you have any questions about the status of the work, feel free to call us with any questions, or you may call brother Roberto Garibaldi at 474-4600.
