Letter from Daniel Hamm in Thailand

Dear Bybee Branch ladies,
Greetings from the Thailand mission field. A special thanks to all of you who worked so diligently to prepare the beautiful stuffed bears for children. We handed out about half of the ones you sent to children at the gospel meeting at Loie Province in August. Today, we went to the local hospital here in Surin where the Leaders Bible School is conducted. Jeff Bell from Union City and Daniel toured the hospital in August to find out if they could take care of Daniel's Leukemia if he got into trouble with it. Dr. Anan who could speak English very well, showed them around at that time. Her husband is also a medical doctor and owns the hospital. We called her today and told her about the stuffed bears. They have a large Pediatric section in the hospital. She told us to come over. We did. She was very pleased with the stuffed bears and asked what we wished to do. She then took us for another tour of the hospital, introducing us to staff, patients, and families as we went. We introduced ourselves, talked to them about Christianity and handed out teaching materials. We then visited all the children in the hospital, giving them the bears. There were at least 50 of them. Everyone was so nice and appreciative. The doctor then requested we come back next Monday evening and conduct Bible studies with the patients. WOW!! She asked bro. Sangiem, the local preacher in Surin to do so each Monday evening. The hospital that houses about 700 patients is across the busy street from our church/school/preacher's house/missionary residence.
Thanks to you ladies for opening this door of opportunity to teach perhaps thousands of Buddhists the saving gospel of Christ. Please pray that the local church/preacher will have the drive and vision here to do the necessary follow-up.

We send our love,
Kathy & Daniel Hamm
