HOLIDAY SHOPPING EXTRAVAGANZA

A special overnight trip is planned for December 8th and 9th to Nashville. We will visit the Opryland Hotel Friday night (8th) to enjoy an activity before heading to our hotel. The next day we will go to Opry Mills for a day of shopping. The cost is \$50.00, which covers an activity and lodging. Those needing a private room will pay an additional cost. The trip is for grades 7 – 12, plus parents/chaperones who would like to attend. A sign-up sheet is on the bulletin board. This Sunday, November 26th is the last day to reserve a spot for the trip and a \$25.00 deposit is required.

YOUTH SERVICE PROJECT

Each year our youth group asks the congregation for

donations to help buy gifts for nursing home residents and underprivileged children. The teens purchase, prepare, and deliver all the gifts. We are again seeking help in this endeavor. If you can, please give your money to me or one of the elders.

Adult Language

Some TV programs that are filled with sin are prefaced with these words: **Warning: program contains adult language. Viewers discretion advised.** What are they really saying? What is adult language? In their thinking, it is all right for adults to hear and use all kinds of filthy language, but this warning is to protect the children until they are old enough to do the same! Isn't the devil shrewd in his approach to sin?

After we have reached adulthood, we should still be mature enough to use language that is pure, meaningful, and edifying. We should be old enough to know that we should not use the name of God in vain since He is our **Creator**, sustainer, and the One who will judge our final destiny (*Acts 17:31*).

It is wondered just how many adults (who call themselves Christians) use such language? Paul wrote: "Let your speech **always** be with grace, seasoned with salt, that you may know how you ought to answer each one" (*Colossians 4:6*).

This is the kind of adult language that the Lord approves. Therefore, if you want to be involved in **real** adult language, be involved in character, forgiveness, commitment, sacrifice, moral values, and determination. When we do this, we will know that our children will grow up to use the same kind of language that is good and pure.

Why do people enjoy **evil** "adult language?" Because they think on evil things! Christians who think on good things want to speak good words. Paul mentions things that are *true, noble, just, pure, lovely, and of good*

report. Then he says: "if there is any virtue and if there is anything praiseworthy—**meditate** on these things" (*Philippians 4:8*).

**A careless word may kindle strife,
 A cruel word may wreck a life;
 A bitter word may hate instill,
 A brutal word may smite and kill;
 A gracious word may smooth the way
 A joyous word may light the day;
 A timely word may lessen stress,
 A loving word may heal and bless.**

Is your adult language—FOR or AGAINST the Lord?
