Notes From Steve

PAT 06 (Final Thoughts)

"I can do all things through Christ who strengthens me" Philippians 4:13. Prior to this statement, Paul stated he had *learned* how to be content. Whether life was a humbling experience or blessings seemed to abound, God's determined servant learned not to let the bad times keep him down or let the good times go to his head. Paul looked to the Christ, Jesus of Nazareth, to glean strength. Jesus once said, **"I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing"** John 15:5. So Paul learned that through Jesus, he could endure the lean days or prosper correctly during the plentiful times.

Jeremy and Abram chose Philippians 4:13 as the theme for our 12th Annual P.A.T. Teens are learning "on the job" if you will, which means the decisions they make is extremely crucial. A teen that gives in to peer pressure (smoking, dancing, drinking, cursing, fornication, etc.) will find out eventually they truly did travel the wrong road. However, there are those teens that rise above the maturity of their peers and make decisions that surely make others around them wonder how they can endure worldly ridicule and not give in to the pressure. One of two things has happened. Either parent(s) have instilled a

knowledge that one can be strengthen through faith and obedience in Jesus or a student has concluded (i.e. learned by self-determination) that only through Jesus can one muster the will to live in a world of temptation and sin. With that said, I believe I was in the presence of such teens this past week. I want to commend Jeremy, Abram, Sam, Bobby, Marek, Daniel, Ethan, Rachel, Heather, Lori, Megan, and Kaitlyn for making PAT 06 a wonderful experience. I salute each one of you and thank you for being model students during our four days together. A big thanks to Bruce, Rickey, Lisa, Micah, Amy, Josh, Paul, and Bran Van for the moral support and intimate involvement in helping me pull off trips like this. I could not do this without your help. A special thanks to Rodney and Patsy for driving us safely to and from all the various places we went on this trip. I believe it ended up being around 900 miles! I also want to thank our elders for standing behind the youth, the Prom Alternative Trip, and me. We're not special for planning this trip, but each individual and our congregation just grew stronger.
