### New Zealand Campaign Review

Due to the support and prayers of so many of you, I was blessed with an incredible opportunity to participate in a campaign for Christ in New Zealand from May 18 – June 8. The campaign led by Kevin Moore of Henderson, TN. Brother Moore is a former missionary to New Zealand and is currently planning on returning in December for two more years of work.

Twenty-two of us participated in the campaign. We split into three groups, and spent a majority of the time in three different towns. As a result of God's work, approximately 12,200 pieces of literature were distributed, 2,500 homes were personally visited through door-knocking. Thirty-four studies were established. About a third of those whom we studied with have since lost interest, while the church has been working hard to follow up on the remaining twenty to twenty-five studies. Several of these individuals are showing very serious interest in becoming Christians.

In addition to the evangelistic efforts, I was also blessed with the opportunity to deliver 3 sermons and teach a bible class each week. The church in New Plymouth, NZ also hosted a 3 day marriage and family seminar.

The final weekend we held a weekend camp. Christians from all over the north island of New Zealand attended, plus a couple who made the flight all the way from Australia to be with us. The theme of the camp was "How To Live Right, In a World Gone Wrong."

From almost the moment we set foot in New Zealand, the campaign was a success. NZ Christians were strengthened and given a morale boost, thousands of NZ households were given the opportunity to hear the gospel, and those of us who participated have returned home with a renewed zeal for the Lord. Even more results are expected in the months to come. Thank you to everyone who helped in providing me this opportunity, and for your prayers while I was gone.

## A Letter From God

The book of Revelation describes seven letters that were written by God to seven churches in Asia (Rev. 2-3). Some of these letters have favorable commendations and some have unfavorable condemnations. What would it be like if God were to write a letter today to the church of which we are a part? What would he put in the blanks below?

*"To angel of the church at ... Bybee Branch, I know thy works that thou art \_\_\_\_\_, and hast tried them that are false teachers and hast found them to be \_\_\_\_\_. These things saith he that hath the sharp sword with two edges; thou \_\_\_\_\_ my name and hast \_\_\_\_\_ my faith ... I have a few things \_\_\_\_\_ thee, These things saith the Son of God, who hath his eyes like unto a flame of fire, and his feet are like fine brass;*

*I \_\_\_\_\_ thy works, and charity, and service, and faith, and thy patience, and thy works; and the last to be \_\_\_\_\_ than the first. These things saith he that hath the seven Spirits of God, and the seven stars; I know thy works, that thou hast a name that thou art \_\_\_\_\_. I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast \_\_\_\_\_ strength, and \_\_\_\_\_ my word, and hast \_\_\_\_\_ my name. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. He that hath an ear, let him hear what the Spirit saith unto the churches."*

So, what would God be able to put into the blanks above about the church of which we are a part? Would it be favorable or unfavorable? God has not written such a letter to us but what if he had? What would the letter say?
