## The Grumbler

In every town and city  
Some people can be found  
Who spend their time in grumbling  
At everything around.  
They grumble if we speak to them;  
They grumble if we don't;  
They grumble if we visit them;  
They grumble if we don't.  
The grumble at the preaching;  
They grumble at the prayers.  
They grumble at the singing;  
They grumble everywhere.  
But if we live for Jesus  
And persecutions bear,  
When we get to heaven,  
There will be no grumblers there!

# 536

About 10 minutes prior to services the building was already full.

Between 300-400 stayed for the meal served to our guests. The Lord blessed us with a perfect day to eat outside.

What an awesome day, September 12, 2010 was! A new record attendance of 536. A new record was also set for the class attendance at 405.

This did not happen by accident. It was the result of the diligent effort of so many people working in various areas. The elders in their wisdom saw the value of such an event. The deacons (and their wives) served in an extraordinary fashion. Some members had just about their whole family present. Others were successful in getting their friends from work or school to attend. And God blessed the work of so many.

What was accomplished? The goal of getting such a large audience was *not* "look what we can do." Neither was it about just setting a record. Its purpose was to reach out to those of our family and friends and introduce them to the Lord's church. Several in attendance had never attended a worship service of the Lord's people. It was also to generate enthusiasm among us. This it did in a marvelous way. Seeing what could be done with the Lord's help has shown many that we can do great things for the Lord. It was also to provide an opportunity for us all to work together. One of the serious failings in many congregations is where people work against one another or in competition to one another. A number of people have commented on how the event was so organized and well-planned. Everybody did their job well! All in all this would have been a huge success even if we had not reached a new record. It allowed the church to see how great it is to work together.

The question now is "what's next?" We don't want to stop with just one special day. There are still many of our family and friends that need to hear the Gospel. Invite them to services. Coming up in just 3 more weeks will be the Autumn Street Fair. The church will have a booth there to let the community know we are here and we care about their souls. If you can, volunteer to man the booth for an hour. Great things lie ahead for a serving congregation!
