A Home Is More Than Bricks...

- It's a place where your child gains his concept of God.
- It's a place where your daughter learns how to be a wife and mother.
- It's a place where your son learns how to be a husband and father.
- It's a place where going the second mile can pay big dividends.
- It's a place where the Christian graces can be added by practice.
- It's a place where the reality of your Christianity is tested.
- It's a place where happiness can exist if every family member is a committed Christian.
