In The World, But Not Of The World

We are to be in the world but not of the world. This can be illustrated by noticing the submarine. It is in the water but not of the water. If it is on the ground (out of the water) it is of no purpose...it is not accomplishing its mission. But when it is in the water it must be insulated (not isolated) from the water. If the water ever gets into the submarine then there is cause for alarm and emergency. We must be insulated from the world but not isolated from it. We must live blameless and without fault in the midst of a perverse world (cf. 1 Philipians 2:15)

Character is determined by what you stand for.
Reputation is made by what you fall for.

People may doubt what you say but they will believe what you do.

Forgetting the Shut-Ins

The composition of the Lord's church varies with those that are rich, poor, young, old, educated, uneducated, etc. The shut-ins are a special segment of the church and are rarely seen or heard. "Shut-in" is a term, which suggests a physical condition preventing them from being a part of the assembly. This is normally due to a state requiring full or part time care by professionals in a public facility, or family member(s) at home.

Shut-ins are generally seasoned and mature Christians who have given much during their life. We miss a rare opportunity in failing to meet and get better acquainted with the shut-ins. Such visits would give the shut-in enormous encouragement, and those making the visit will feel better about themselves.

Those living a shut-in existence will normally receive more visits during the holidays of Thanksgiving and Christmas than any other time of the year. Shut-ins appreciate the visits, good will, and fruit baskets that are normally presented to us. However, there are twelve months in the year, and this special group would enjoy seeing you from time to time.

Visiting the sick or shut-in is a rare treat, and while I was engaged in my work as a gospel preacher these visits were particularly invigorating. Undeniably one gains far more from the shut-in than the shut-in could ever hope to gain from our visit.

Affectionally known as the "horizontal" preacher, has been bedridden with Multiple Sclerosis for a number of years, yet continues to faithfully serve his Lord through a number of avenues, most notably his writing.

Short Mountain Family Retreat

Don't forget it won't be long until our annual Short Mountain Family Retreat. It will be August 26-27. Please sign the bulletin board for the meals you will be eating at the camp.

Youth News

A sign-up sheet is on the Youth Bulletin Board for the **CHATTANOOGA LOOKOUTS** game. The game is for our youth of any age and parents. Full details are on the board.

Plans are coming together for our **BACK-TO-SCHOOL BASH** on Saturday, August 13th. Dale Bennett will host this event at his cabin. If you want to ride the bus, we will leave from the building at 3:45 (or you can meet us at the cabin.) Activities will include Team Games, Great Food, Door Prizes, and of course we'll finish the night with a Devotional to the Lord. A sign-up sheet is on the Youth Bulletin Board and it is very important you sign-up so we can properly plan for activities and food. The more the merrier!

Our next **PEW PACKERS CLASS** is Sunday, August 14th, at 5:00 pm in the fellowship room. Our number for August is 8.

"A Word Fitly Spoken"

"Like apples of gold in settings of silver is a word spoken in the right circumstances," Proverbs 25:11.

We all know that if we had a silver bowl full of solid gold apples, that we would have quite a treasure. In this extremely negative world we live in, a kind word at the right time can be a great treasure, too. People are quick to criticize, complain, and blame. Too many spend their time being griped at, or griping at someone else. We have a golden opportunity to change someone's life today. Let us think of a word that will edify and build up someone. Perhaps a genuine compliment or appreciation to lift someone's day. The sunshine we spread will get on us as well.

Freezer to be sold

The church has an upright freezer that is no longer being used. Give sealed bids to one of the elders and it will be sold by the end of August to the highest bidder.
