## Proposed New Elder

This past Sunday the elders placed the name of Allen Hughes before the congregation to serve as an elder. If you know any Scriptural reason why brother Allen should not serve, you are asked to submit it to one of the elders in writing, along with your signature no later than October 21. If there are no Scriptural objections then he will be installed on October 22.

## Autumn Street Fair

Thank you to all those who helped plan, prepare, set up, breakdown, and work at our booth at the Autumn Street Fair yesterday. God blessed us with a beautiful day, we had 31 volunteers of all ages from our congregation help us distribute our Daily Bible reading calendars and small calendars to those attending the fair this year. Our goal through this outreach project is to bring the word of God to those in our community, encourage them to attend a faithful congregation of the Lord's Church, and to be a source of edification to members of God's family.

If through our efforts we have been able to bring the knowledge of the gospel and/or edify even one soul, we believe the work we did yesterday will bring glory and pleasure to God.

If you were unable to attend the Autumn Street Fair and would like one of the Daily Bible Reading Calendars or the Small Calendars, they are a few remaining located on the table in the foyer.

## Youth News

What would your answer be?

Not to long ago, I was listening to a sermon where the preacher was telling about how one question changed his and his families lives. He started by saying that he had grown up in a medium sized town and his family was your average family. He was married with two children. He was living a normal life, just the way a movie would portray.

One day while the family was sitting on the couch watching tv the doorbell rang and the man went to the door. When he opened the door there was a young man and women about his age standing there with some flyers in there hands. They simply asked if his family attended services anywhere. When the man answered no, the man and women asked if they could talk to him and his wife for a few minutes? He agreed and invited them. The couple and family made small talk, trying to get comfortable with each other.

He went on to tell of how the visiting couple asked them a question during the visit that made him sit in silence for a minute or two. His wife tried to speak but no words would come out. The two kids looked at their parents in confusion. The man and women that knocked on the door had simply asked this family, if you were to die right now would you go to heaven? This shocked the family and made them sit in silence thinking. The husband began to smile to try and break the awkwardness and said I hope. While his wife answered she would like to think so.

You see the family knew what Heaven and Hell was, but they didn't know how to guarantee they went to heaven. They had never searched what they need to do to be able to go to heaven. The family thought they had a great life and then these two random people come in and ask one question that makes them begin to question things and think past next week, next month, and even past next year.

This family insisted that the man and women that had knocked on their door come back and tell

them how they could know for sure that when they died they would go to Heaven. So the man and women started studying the Bible with the family. Quickly the family learned that they were not following what the Bible teaches. They asked several questions over the next seven Monday night studies.

Then finally one Monday night the husband and wife came to the conclusion, at separate parts of the study, that they needed to obey the Gospel. He was baptized and so was his wife, then a few years later his children obeyed the gospel. The husband is now a faithful preacher, sharing his experience with others.

Too many times we fail to share the Gospel with our neighbors, friends, co-workers etc...missing countless opportunities. But let me ask you this question, what if the person that taught you the Gospel did not teach you the Gospel? Where would you be? We have to strive to always share the message of the Bible. The apostles did, without cars, technology, and all the other modern convinces that we have. We have to get to work and "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matthew 5:16 KJV) also "But the path of the just is as the shining light, that shineth more and more unto the perfect day." (Proverbs 4:18 KJV)

So I will leave you with the same question. If you were to die now, would you be headed for Heaven or Hell?
