Community Churches and Generic Names

Some churches of Christ are changing their names from names like FIRST STREET CHURCH OF CHRIST to generic names, such as THE COMMUNITY CHURCH or THE FAMILY OF GOD. Proponents of such a change, with whom I have discussed the matter, say that the traditional name, CHURCH OF CHRIST, has "too much baggage" attached to it, and that "it has a negative effect when people see that name on a sign in front of the church building." It is argued that a generic name will not "turn people off" and will be more effective in reaching people.

I find this to be so ironic because of something that took place recently in Florence. After worship one Sunday morning, I met a young couple who was visiting us for the first time. Sean and Candice had just moved here from Oregon, after he accepted a position with Big River Broadcasting Company. He was Catholic and she was a Mormon.

Rarely have I studied with anyone so hungry to know the Truth as they were, so I was not surprised when they were baptized for the remission of sins and became Christians three weeks later.

Now, here is the ironical part. Sean told me that, before they came to worship that first Sunday, they were walking in downtown Florence and saw our sign which reads, WOOD AVENUE CHURCH OF CHRIST. They did not know anything about us - had never even seen "a church of Christ building." But, Sean said they decided to come to Wood Avenue because they wanted to be a part of a church that unashamedly identifies themselves as a church that belongs to Christ!

How ironic. That which initially attracted Sean and Candice is the very thing that some want to change!

What About Them "Seven Ducks?"

(This is a true story)

One told of this brother in the church, a carpenter, who was an unlearned man, without any formal education. His employer took the job of building a denominational meeting house, and the denominational preacher, knowing of the man's lack of formal education, delighted in making himself seen around the building, and in particular picking at the man, knowing him to be one of those "church of Christers."

One day, the denominational preacher was speaking of his man-made doctrine of salvation by "faith only." As he was making his point, the brother in Christ spoke up, "But how about them seven ducks?" Everyone thought he had missed the entire point under discussion, and the denominational preacher didn't know what he meant at all. So the brother in Christ explained how that Naaman, to obtain cleansing, was told to go "Duck" in the Jordan River seven times! Them seven ducks" meant that obedience to God's will was required and therefore faith "only" was a false doctrine.

This good brother never claimed to be a preacher or teacher, and never claimed that he "smart" man. But he had the courage to stop the mouth of a false teacher, showing him how SEVEN DUCKS entered the picture!

Summer Series

Our Summer Series begins this coming Sunday evening at 6 pm with brother David Sain preaching. Brother David has been with us several times in lectures and Gospel Meetings and always does an excellent job teaching God's Word. Up until last year David was the preacher for the West Fayetteville church of Christ in Fayetteville, but now does fill-in appointments and Gospel Meetings. His topic will be Jesus As A Preacher and Teacher. Our theme for the summer will be: Jesus, the Master Teacher.
