What Did They See?

"And when they came unto the place which is called The skull,, there they crucified him...the people stood beholding" (Lk. 23: 33- 35).

Look at those last few words one more time: "the people stood beholding" (*theoreo*, "theorizing"). They stood by the cross of Jesus, trying to "put things together." And, what did they see?

They saw the "obvious." They saw crucifixion was horrible. Victims frequently died stark raving mad from days of exposure and thirst-a thought that underscores the agony behind Jesus' words: "I thirst" (Jn. 19:28).

They saw something "mysterious." They experienced an eerie darkness "over the whole land." The sun refused to shine as if it were paying tribute to the death of our Savior (Luke 23: 44-45).

They saw something "vicarious." They witnessed the death of God in the flesh, an agonizing death that made possible our "abundant life" (John 10: 10: cf. 1 Cor. 15:3).

They saw something "marvelous." They saw the same things you and I are blessed to see when we partake of the Lord's Supper...the love of God (1 Cor. 11:23-26; cf. 1 Jn. 4: 9 -10).

Summer Series

This coming Sunday evening our guest speaker will be brother Don Blackwell. Brother Blackwell is one of the preachers for the Southaven church of Christ and also serves as one of the elders. In addition he is the executive director of the Gospel Broadcasting Network. He will be speaking on the topic: Are You Distracted By Technology. This will be an interesting topic which is greatly needed in our technology saturated world. Be sure to invite your friends and neighbors!

Lost In The Little Things

In the church, it seems like the "little things" seem to drive us crazy. The "big things," however do not really seem to matter.

The service goes over 5 to 10 minutes, we go nuts. We are losing our young people and not much is said.

We switch the Lord's Supper bread to pieces, we go off. There is only one baptism this year, not a word.

VBS is formatted differently, and we must complain. We can't find teachers for Bible classes, and it's "Oh well."

The song leader messes up a song, and we go to the elders. Our next-door neighbor will die without Christ, nothing said.

A teacher is a little boring, and we threaten to not come back. The church does not have funds for mission work, again nothing.

Why do we get so lost in the little things? Why do the big things seem to be unimportant?

- Is it because the little is easy and the big is hard?
- Is it because we are immature?
- Is it because we are not really spiritual?
- Is it because we are too selfish?
- Is it because the big things mean time, money, and effort?
- Is it because we love to complain, but do not love to work?
- Is it because we have developed some very bad habits?

I do not know the exact cause(s). I do know that it is unfortunate to say the least.

I also know that when we start spending as much time on the "big things" as we do the "little things" then big changes will start to happen within our congregations.
