- **CYC Youth Rally** - Jason will be taking the older youth to Challenge Youth Conference on February 28th - March 1st in Pigeon Forge. He will need 2 male and 3 female chaperones to assist him. If you are interested, please see him. This trip is for 7th grade and up.

I just want to say "thank you" to everyone who has assisted me, thus far, in making the youth program here at Bybee the success that it is.

I am just a small part of this amazing family that had its foundation laid many years ago.

I pray that we can continue to work together to help bring these young people up in the teaching and admonition of the Lord.

If I Were the Devil

I would gain control of the most powerful nation in the world; I would delude their minds into thinking that they had come from man's effort, instead of God's blessings; I would promote an attitude of loving things and using people, instead of the other way around;

I would dupe entire states into relying on gambling for their state revenue; I would convince people that character is not an issue when it comes to leadership; I would make it legal to take the life of unborn babies; I would make it socially acceptable to take one's own life, and invent machines to make it convenient; I would cheapen human life as much as possible so that the life of animals are valued more than human beings;

I would take God out of the schools, where even the mention of His name was grounds for a lawsuit; I would come up with drugs that sedate the mind

and target the young, and I would get sports heroes to advertise them; I would get control of the media, so that every night I could pollute the mind of every family member for my agenda; I would attack the family, the backbone of any nation; I would make divorce acceptable and easy, even fashionable.

If the family crumbles, so does the nation; I would compel people to express their most depraved fantasies on canvas and movie screens, and I would call it art; I would convince the world that people are born homosexuals, and that their lifestyles should be accepted and marveled; I would convince the people that right and wrong are determined by a few who call themselves authorities and refer to their agenda as politically correct;

I would persuade people that the church is irrelevant and out of date, and the Bible is for the naive; I would dull the minds of Christians, and make them believe that prayer is not important, and that faithfulness and obedience are optional;

I GUESS I WOULD LEAVE THINGS PRETTY MUCH THE WAY THEY ARE.

"and now you know the rest of the story!"
