What Would You Give?

What would you give to save one soul? Before you answer, remember one soul is worth more than all the world (Mat. 16:26). Don't answer yet. Remember that soul shall live on eternally—either in Heaven or in Hell.

Now, what would you give? Would one soul be so valued to you, you would give what you own, your time, even your very life? Surely, then, you would give enough time and effort to invite that one to hear the soul-saving Gospel, wouldn't you? A soul would be that important, wouldn't it? What would you give if it were your soul?

Spring Youth Retreat

It's almost time for our annual Spring Youth Retreat. The dates this year will be March 15th – 17th, which is the weekend before spring break. SYR will be held at a new location this year. It will be at Latimer Reservation in Spencer (not far from Fall Creek Falls).

SYR forms need to be turned in for those that haven't done so.

Top Five Everyday Evangelism Tips

1. Look at other people as those for whom Jesus died.
2. Pray for three specific people by name every day, asking God to use you to draw them to Christ.
3. Tell people how being a Christian gives your life meaning and purpose.
4. Build friendships with non-Christians. Watch for opportunities to help them and their families.
5. God is the great evangelist. You only sow the seeds, but He makes them grow. Do what you can to tell others. God will bring the harvest, for He has promised that His Word will not return to Him void (Isaiah 55:11).

"But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear" (1 Peter 3:15).

Artificial Worship

Artificial respiration is well known to the average household in America. If a heart failure is apparent, artificial means may save a life. How may our hearts be stimulated? Should we leave the word of God for man-made procedures? Years ago, I sat in an audience of several hundred brethren and listened to the preacher talk about the Lord's supper. He laughed and joked about three songs and a prayer. He ranted about formality, routine, and form. He suggested that worship could be made meaningful by simply changing procedure. He thought weak hearts could be revived by artificial means.

We know that the routine does not stimulate the Bible heart. For over 65 years, I have been taking the Lord's supper, and it never occurred to me that I might be engaging in a ritual. My mind, at the Lord's table, goes back over two thousand years to the death of Christ. It never dawned on me that the order of the worship had anything to do with the solemnity of the Lord's supper.

For over 30 years I have visited the graves of my mother and father. I need no artificial means to stir memories at the graveside. It makes no difference at which gate I enter the cemetery or the direction I approach the graves. The denominations use candles, shout and burn incense, use quartets, solos, testify, and play the organ. Paul said, Let a man examine himself and so let him eat. May God have mercy on us if we have to have some form to stir our memories.

Time Change

It's that time of year again... Daylight Saving Time will begin this Sunday, March 10, 2019. So be sure to "spring forward" and set your clocks ahead one hour before going to bed Saturday evening or you will be late for worship.

A Short Story About Nobody

Fred SOMEBODY, Tom EVERYBODY, Pete ANYBODY, and Joe NOBODY were neighbors, but they were not like you and me. They were odd people and hard to understand. Their lives were really strange.

All four belonged to the same church, but you could not have enjoyed worshiping with them. EVERYBODY went fishing on Sunday mornings or stayed home to visit friends or relatives who would drop in. ANYBODY wanted to go to worship, but he was afraid that SOMEBODY would not speak to him, so he just stayed home to avoid that problem. NOBODY went to church.

Really, NOBODY was the only faithful one of the four. NOBODY did visiting. NOBODY worked on the church building. NOBODY could be found doing what was needed to be done. Once they needed a Bible class teacher. EVERYBODY thought that ANYBODY would do it, and SOMEBODY thought that EVERYBODY should. Guess who finally did it? That is right...NOBODY did!

It happened that a fifth neighbor (an unbeliever) came to live in their community. EVERYBODY thought SOMEBODY should try to teach him and win him to Christ. ANYBODY thought that EVERYBODY should try, and SOMEBODY thought that ANYBODY could do a better job. But guess who finally won this man to Christ? That is right...NOBODY did!
