Chasing After “New” Things

Every year something “new” comes out. The past year had its share of new things and 2023 will also. We look at the rising crime rates and the lowering of morals and we know there has to be a better way. We look at the skyrocketing rate of divorce and the worldly concepts of marriage and we say: “There has to be a better way.” We view many other “ills” of the modern world and are forced to see that everything modern is not good. We long for the time again when we didn’t have to lock our doors and a man’s word was his bond.

Some “old-fashioned” things can still be good. Jeremiah 6:16. states: “Ask for the old paths, where is the good way, and walk in it”. Luke records, “For all the Athenians and the foreigners who were there spent their time in nothing else but either to tell or to hear some new thing.” (Ac. 17:21) Let us look at some old things that are really “new” in a society that chases after new things. (look up each scripture)

Old Fashioned Faith - Romans 10:17

Old Fashioned Obedience - Matthew 7:21

Old Fashioned Righteousness - Ecclesiastes 12:13

Old Fashioned Church - Acts 20:7, Ephesians 5:19, I Peter 4:11

Old Fashioned Standard of Authority - Matthew 28:18

Old Fashioned Salvation - Mark 16:16

The church of Christ has nothing new to offer except what is old. That which is old is actually new in our world.
