Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world.”
(James 1:27)

Are We Too Busy
School is out and the summer months of fun and family time are upon us. There will be vacations to the beach, amusement parks, trips to visit family and so on.
Summer also brings a long tradition of youth sports! This is a time where many young people engage in all sorts of physical activities like baseball, softball, tennis, swimming, etc. These activities help kids to rejuvenate themselves from the rigors of the school year.
Summer also bring us a plethora of opportunities to deepen our knowledge of God’s word and strengthen our relationship with our fellow brothers and sisters in Christ.
Many congregations of the Lord’s church chose summer as an opportunity to host either a Vacation Bible School or a Gospel Meeting. These are opportunities that we can seize to grow in our faith and knowledge.
Sadly, because of the excitement of being free from school and work, Satan has made the fun of summer (vacation and physical activities) more enticing than those that are Spiritually driven.
Our encouragement to you is to make sure that as the summer weeks press on and you are planning vacations, trips, ball practices/games, etc. that you do not forget to seize the opportunities to grow in the Lord.
Make sure that you check your local church bulletins and website for opportunities to make a family trip to a sister congregation to participate in their VBS or attend their gospel meeting.

“Train up a child in the way he should go, And when he is old he will not depart from it.” (Proverbs 22:6)
